

CHARTwell
CARLTON
retirement residence

making people's lives **BETTER**

Experience **boutique-style retirement living** in beautiful **Burnaby**.

PART OF OUR LOCAL COMMUNITY SINCE 2019

Chartwell Carlton is an intimate, boutique-style retirement community in a breathtaking setting featuring picturesque mountain views. Centrally located at the corner of Canada Way and Gilmore Street in central-west Burnaby, we're near many beautiful lakes, parks, forests and trails, and just minutes away from Grand Villa Casino, Highway 1 and two Metrotown SkyTrain lines.

The worry-free lifestyle at Chartwell Carlton is designed for independent seniors looking to remain engaged in the many leisure and social experiences the city has to offer. Here, you'll

benefit from thoughtfully prepared menu choices, weekly housekeeping, a variety of recreational, fitness and hobby experiences, the convenience of chauffeured car services, and secure underground parking. If desired, care services can also be coordinated through third-party home care providers.

OUR UNIQUE LIFESTYLE

Our retirement residence features an abundance of natural light and an open concept design, including a fireside lounge and three rooftop terraces with exceptional mountain and city views. Exposed beams, wood finishes and a contemporary colour palette give us a West Coast feel, bringing the beauty of nature and the warmth of the outdoors into the heart of our home.

We offer studio, one- and two-bedroom suites with kitchenettes, some of the largest suites in the Burnaby area. You'll find our suites are well designed to maximize space and light, thanks to high ceilings, large windows and private balconies. When you aren't enjoying the comfort of your accommodations, you may find yourself socializing at our fireside lounge or bistro, playing billiards, working out in our fitness room, catching a black and white movie in our theatre, or enjoying time with family in our private dining room.

Explore our Living at Chartwell brochure to learn more about dining, lifestyle activities and personalized care services.
