

**CHARTwell**  
**ROCKCLIFFE**  
retirement residence

making people's lives BETTER<sup>®</sup>

“Lead an elegant retirement at **one of the city’s most desired addresses.**”

## PART OF THE OTTAWA COMMUNITY SINCE 2008

As you drive across the bridge to exclusive Porter Island, your breath may catch as Chartwell Rockcliffe comes into view. Located in enviable New Edinburgh, the lifestyle at our residence is truly majestic and a retirement aspiration for those who wish to continue to enjoy life to the fullest.

We spare no effort when it comes to providing service that is truly first-class. Our attention to detail and presentation is immaculate—from the

fresh flowers and pressed linens on every dining table, to the art shows and garden parties we host for the community, to the way your suite is refreshed after a housekeeping service. We also offer optional independent and assisted living services that can help you feel your best, discretely delivered in your suite. At Chartwell Rockcliffe, our goal is to deliver an experience that leaves you feeling pampered and very satisfied with your new home.

## OUR UNIQUE LIFESTYLE

It's no secret that our residence boasts the most spectacular views. From the privacy of your suite, as well as from our many well-appointed amenities, you can take in forested or glimmering river vistas unique to Rockcliffe, as well as the historic downtown Ottawa skyline. Can you imagine anything more relaxing and luxurious than enjoying a glass of wine or Scotch as the sun sets over Parliament Hill and reflects on the water? Our residents also relish time spent on our outdoor patio. Shaded by century-old trees, our gardens are where you can relax in the serenity of nature, quietly enjoying a cup of tea with a good book, bird watching, or perhaps socializing with friends over a delicious, freshly-prepared meal.

With five-star service, contemporary offerings and a stunning location that can't be bested, it's no wonder Chartwell Rockcliffe remains one of the most sought-after addresses in the city.
