

**CHARTwell**  
QUAIL CREEK  
retirement residence

making people's lives BETTER

“Experience **warm, supportive retirement living** in a charming, small-town setting.”

## PART OF OUR LOCAL COMMUNITY SINCE 1990

Chartwell Quail Creek is an established retirement residence in Renfrew featuring a strong local reputation for service, care, and the friendliness that our tight-knit community is known for. Surrounded by mature trees, we're conveniently across the street from Renfrew Victoria Hospital and a long term care residence, making us an ideal spot for seniors who may have a spouse living in LTC. We offer a full complement of convenient services—including delicious and wholesome meals, housekeeping and

personal care options like medication management—so you can lead the safe, social, and supportive lifestyle you deserve. Here, you can choose from a selection of classic studios and recently refreshed one-bedroom suites. When you aren't relaxing in your comfortable living space, you may find yourself enjoying one of our on-site amenities, all of which are accessible on our ground floor. They include a multipurpose room, library, billiards room, piano lounge, and games room.

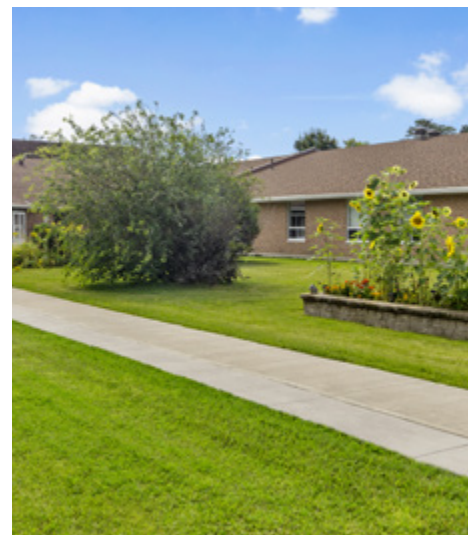

## OUR UNIQUE LIFESTYLE

You can feel the warmth the moment you step through Chartwell Quail Creek's doors into our front entrance, featuring inviting hues, traditional furnishings, and a welcoming ambience. That same approachability extends to our team of longstanding staff, who strive each day to make your life happier, healthier, and more fulfilling. We want you to truly feel a part of our community, where you can socialize, pursue your hobbies, or get involved in a new interest, all while leading the life you've worked so hard to achieve in your retirement years.

If you've lived in or around Renfrew your whole life, don't be surprised to find once you move in that the people you've grown up with are your new neighbours! With so many different activities on offer, it's easy to make new friends and enjoy great conversation and laughter each day.
