making people's lives BETTER

Lead a **rich, full, and meaningful** life at any age at a premier active living community by **Victoria's Inner Harbour.**

## PART OF OUR LOCAL COMMUNITY SINCE 2021

Chartwell Victoria Harbour will exceed your expectations about what it's like to live in a senior living community. We offer a holistic approach to active aging, which inspires all who live with us to embrace a social, healthy, and independent retirement. Beautifully designed apartments with full kitchens and harbour views, outstanding active living opportunities, stunning on-site amenities—including a full-service restaurant and pub—and a blend of personalized services and à la carte offerings all contribute to a refined, yet vibrant lifestyle.

Our location in the heart of downtown Victoria—mere steps from the Inner Harbour—makes us one of the most sought-after addresses in the city to call home. Living by the harbour means picturesque ocean and city views from almost anywhere in our community, while our central locale provides easy access to numerous nearby services, public transit options, green spaces, cultural venues and an abundance of shopping and eateries.

At Chartwell Victoria Harbour, we're not your average 65+ independent living community—our lifestyle encompasses an element of adventure, fitness, and enrichment that our residents thrive upon. Do your fitness goals include a lively game of pickleball, taking in the sea breeze during an invigorating kayak, or perhaps checking off a bucket list item on a skydiving excursion? How about learning a new recipe in a cooking demonstration, trying a yoga class, or sipping cocktails and enjoying lively conversation during an outdoor barbecue party? Whatever your interest or comfort level, we have something amazing on offer in our community that will bring you personal fulfillment.
