

making people's lives BETTER

“Retire in an **independent and active** retirement community **with lake views.**”

## PART OF OUR LOCAL COMMUNITY SINCE 2004

Sunshine making the lake dance with winking diamonds; a gentle breeze ruffling patio umbrellas; the call of gulls soaring across a cloudless sky—no, you’re not on a relaxing vacation at a beautiful Arizona resort, but at home at Chartwell Harbours. Our retirement community is in picturesque Coventry Hills—considered one of the best neighbourhoods in Calgary—and features convenient amenities like grocery stores, restaurants and fitness centres. Such an enviable location means you can benefit

from all the services you need to lead the active lifestyle you desire, yet still feel like you’re living in a serene setting tucked away from it all.

The look and feel of our residence are inspired by our gorgeous lakeside setting and transports residents to tranquil harbours. Modern home design, delightful maritime touches and large windows with water views help to incorporate the outdoors into our comfortable amenities and common spaces.

## OUR UNIQUE LIFESTYLE

It isn't just living along the shores of a lake that will make you feel like you're aboard a docked cruise ship, but the delicious meals, housekeeping, entertaining activities and personalized experiences that you receive at Chartwell Harbours each day. Here, you can choose to enjoy an appetizing supper or à la carte offering served table-side in our light-filled dining room—featuring high ceilings and lake views—or perhaps under the shade of a patio umbrella in our outdoor courtyard. There are also opportunities for exercise in our activity and fitness rooms, reading in the library, religious services in our chapel and a full calendar of recreation and outings. With walking paths encircling the lake and raised garden beds in the courtyard, there are also plenty of reasons to venture outdoors.
