## PART OF OUR COMMUNITY SINCE 1998

Chartwell Anne Hathaway is an established independent supportive living residence in beautiful Stratford. Our quaint retirement home is where nature meets small town-living. Venture inside to experience our grand entranceway, where tenured staff are ready to welcome you. Our amenities are best known for their charm, like our popular dining room featuring a walk-out patio, where you can see our walking path that surrounds the building. Easily considered an extension of the Stratford

community, you're sure to run into a familiar face here, as most of our residents are from Stratford or have family in the area.

Located on Downie Street, our residence is nearby cultural and historical hubs like Shakespeare Park, City Hall and the Theatre District. Conveniences like dental offices, spas, eye care clinics and Stratford General Hospital are also nearby. Our proximity to Downtown Stratford makes shopping easy too.

## OUR UNIQUE LIFESTYLE

Our retirement community is characterized by an active, vibrant population of residents. Centred around entertainment, we have partnerships with the local arts community and are involved with the local theatre troupe too. Day trips are planned in and around Stratford, so you'll always be on top of the town's best events. In addition to your choice of activities and outings, you'll have a variety of amenities at your disposal here: bask in the sunroom, join the gardening club in our gorgeous gardens, or become your own barista at our self-serve cafe!

At Chartwell Anne Hathaway, we offer a selection of bright studio and one-bedroom suites with large windows. You'll also benefit from three tasty and nutritious meals, weekly housekeeping, weekly linen service and personal laundry, and a variety of optional care services to help you feel your best. Our friendly, welcoming staff are here to make your life better.
