## PART OF OUR COMMUNITY SINCE 1995

Chartwell Tranquility Place is an established retirement residence in North Brantford offering a range of independent and independent supportive living options for an active, fulfilling retirement. We are well known for our strong reputation in our local community and our friendly, dedicated team of staff who are committed to providing personalized, compassionate support to make your life healthier, happier and more fulfilling.

Set on five acres of lush green space, our lovely location in Brantford's north end allows us the best of both worlds: a small-town community feel, paired with access to a variety of convenient amenities close by. Within walking distance of our residence on King George Road you'll find a Walmart Supercentre, grocery and liquor stores, banks, restaurants, medical clinics and a movie theatre! But if you simply want to get out for some fresh air, you'll enjoy our own well-manicured walking paths that adjoin Powerline Road.

## OUR UNIQUE LIFESTYLE

One of the most appreciated aspects of life at Chartwell Tranquility is our continuum of care living environment, where you can comfortably age in place thanks to a complement of personal support services available to add onto your package at any time. That means you can customize your package to your individual needs, preferences and budget, including the number of meals you enjoy and the care services you elect to receive.

The lifestyle here is safe, social and supportive, where you can lead your retirement years to the fullest. When you walk through our doors, you'll find our atmosphere to be welcoming and lively, where residents and staff enjoy one another's company and truly feel at home. With us you can pursue your interests, get fit or simply socialize in an array of amenity spaces, including a chapel, tuck shop, craft room, hair salon, library, tearoom and several comfortable lounges.

**Explore our Living at Chartwell brochure to learn more about dining, lifestyle activities and personalized care services.**
