PART OF OUR LOCAL COMMUNITY SINCE 2009

Located in Aurora's sought-after Bayview-Wellington neighbourhood, Chartwell Hollandview Trail is an established retirement residence on John West Way boasting beautiful gardens and views of the neighbouring arboretum. We not only enjoy pretty natural surroundings, but convenient access to a variety of walkable amenities, including grocery stores, banks, pharmacies, restaurants, retail shopping and the cinema. There are also several lush parks nearby if you want to take your dog for a walk or simply enjoy some fresh air.

You'll feel the lively, inviting energy of our home from the moment you walk through our doors. In fact, you'll often find residents socializing in our common areas with staff or engaged in an activity, class or club that elicits conversation and laughter. We also offer many state-of-the-art amenities you may find yourself enjoying upon moving in, including our heated saltwater pool, fitness centre and stretch room, and our unique Victory Garden.

OUR UNIQUE LIFESTYLE

Ideal for active, independent retirees, as well as seniors who may benefit from more daily support to live well, our beautifully designed retirement residence features modern, well-appointed studios and one-, one-plus-den and two-bedroom suites. Here, you can benefit from delicious and wholesome meals, weekly housekeeping and linen service, and access to a wide range of optional independent supportive living care services, such as medication management, assistance with your morning or evening routine, and much more. With the choice and flexibility to design your level of support, you are empowered to spend your time and energy on the people and pursuits most important to you in your retirement years.

We also have a dedicated assisted living floor on the second level of the residence geared toward seniors who require more assistance with their daily routines. Featuring studios and one-bedroom suites, our tranquil space speaks to a sense of safety, comfort, and overall wellness.
