If you prefer to drive, we offer heated underground parking and transportation services for your convenience.

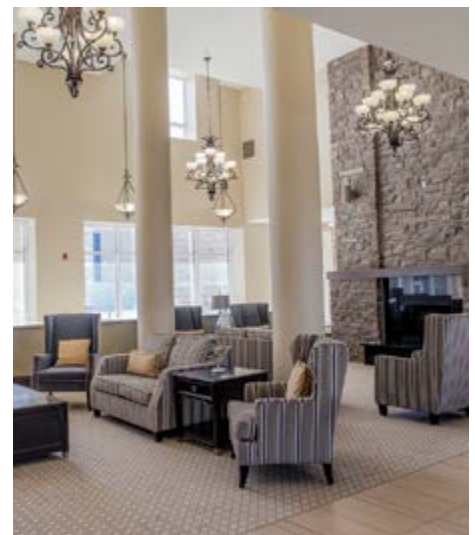

We offer an independent supportive living lifestyle that is personalized to your unique needs and preferences, giving you the freedom to choose what you would like support with each day. With the flexibility to add or remove services, our dedicated staff are here to ensure you comfortably age in place with the confidence and peace of mind you deserve.

OUR UNIQUE LIFESTYLE

When you walk through our doors, you'll be struck by our vibrant atmosphere and the palpable sense of community shared by everyone living and working in our home. Our residents love to socialize during meals and leisure experiences, and often remark how the open-concept design of our home is easy to navigate and adds to our lively ambiance. Our spacious lobby is always abuzz with activity, as is our modern bistro, where residents stop to chat over a cup of coffee or freshly-baked snack.

You'll also find your private accommodations are just as lovely as the rest of our renovated home. Offering one- and two-bedroom layouts, our suites are among some of the largest in Oakville, perfect for individuals or couples who enjoy lots of room for furniture and personal belongings. All of our suites boast large windows that allow in an abundance of natural light, some also featuring balconies. You'll find there is no better value if you're searching for a retirement living lifestyle in Oakville!
