

CHARTwell
HERITAGE
retirement residence

making people's lives BETTER

“Lead a **fulfilling, social**
and **active retirement** in a
welcoming, bilingual setting.”

PART OF OUR LOCAL COMMUNITY SINCE 1979

Chartwell Héritage is an established retirement residence in Vanier offering independent supportive living suites and independent apartments for seniors looking to benefit from a worry-free lifestyle centred on how you want to live. We boast a strong local reputation in the Franco-Ontarian community due to our tenured team of staff, many of whom have been with us for over 20 years! You'll find the French value of family runs deep in our home, where residents, visitors and staff form a tight-knit community that supports and celebrates one another.

One of the biggest benefits of life at Chartwell Héritage is our welcoming bilingual community in Vanier. We enjoy a lush suburban location and are close to many convenient amenities, such as the St. Laurent Shopping Centre, grocery stores, banks, pharmacies, restaurants and much more. Conveniently, we are also less than a five-minute drive to Hôpital Montfort.

OUR UNIQUE LIFESTYLE

The lifestyle at Chartwell Héritage is one of leisure, comfort and fulfillment. Worry-free services like delicious and nutritious meals, housekeeping, 24-hour staff on-site and optional personal support services allow you to focus on what brings you enjoyment in life. When you aren't relaxing in the privacy of your suite or apartment, you may find yourself socializing with fellow residents and staff, participating in an exercise class or favourite hobby, or perhaps exploring our local community on an organized outing. We offer a variety of optional leisure and entertainment experiences for an active and engaging lifestyle.

Providing seniors with a retirement living option that complements their dynamic lifestyle, Chartwell Héritage delivers on a living experience that strikes the perfect balance between independence and worry-free support.

Explore our Living at Chartwell brochure to learn more about dining, lifestyle activities and personalized care services.
