

making people's lives BETTER

“Welcome to our inviting home, combining **small-town charm with **easy access to local amenities in Elmira.**”**

PART OF OUR LOCAL COMMUNITY SINCE 2002

Chartwell Elmira Retirement Residence is tucked into the charming rural town of Elmira, in mid-Western Ontario. Home to the largest population of Mennonites in Canada, Elmira combines the friendliness of a small town with a rich rural history, with enough shopping, dining, and entertainment options to rival large cities. Located on Snyder Avenue, our retirement home is within close walking and driving distance of many convenient amenities and services: retail

shopping, restaurants, grocery stores, banks, liquor stores, places of worship and pharmacies. We are also just a 15-minute drive away from the celebrated St. Jacob's Farmers' Market, Canada's largest year-round market featuring farm-fresh foods, crafts, and antiques.

Here, we offer a selection of bright studios with kitchenettes and spacious bathrooms. Many choose to live with us due to our closeness to family, too.

OUR UNIQUE LIFESTYLE

Our small, inviting residence boasts a spacious single-floor bungalow layout designed for easy mobility and socialization. In addition, the living experience of our residents is elevated thanks to our own well-manicured walking paths around the building, where you can enjoy peaceful strolls and our lovely outdoor patio that further adds to our comfortable, family home feel. Indoors, you'll discover spacious amenities and a wide range of optional life enrichment experiences for a more fulfilling and active social life. Our home also boasts a fitness centre, tuck shop, games room, art studio, chapel, and much more.

We're proud to have many long-standing staff, all of whom are dedicated to providing exceptional customer service and forging close relationships with you so they can anticipate your needs and foster a sense of family.

Explore our Living at Chartwell brochure to learn more about dining, lifestyle activities and personalized care services.
