making people's lives BETTER

Discover a **vibrant**, eco-friendly **senior lifestyle** in London's innovative West 5 community, where **independence** and **sustainability** go hand in hand.

PART OF THE LONDON COMMUNITY

Welcome to Chartwell Riverstone, a vibrant, eco-conscious retirement residence nestled in London's innovative West 5 community—Canada's first neighbourhood powered entirely by the sun. Surrounded by lush green spaces, shops, and inviting cafés, our residence offers the perfect blend of sustainability, comfort, and convenience.

Here, you can choose from a variety of living options, including independent living suites

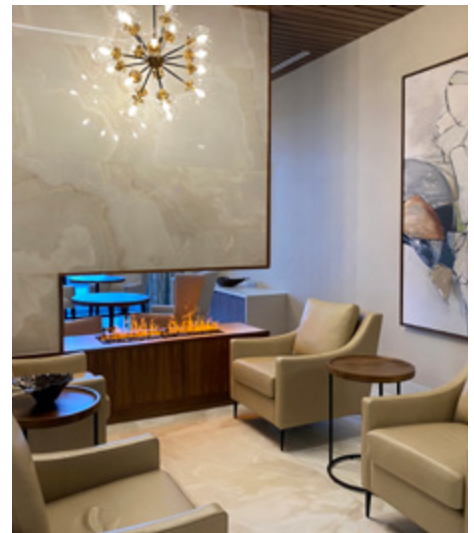

within our main residence and modern seniors' apartments and villas next door, giving you the flexibility to find the lifestyle that suits you best. Whether you're joining an engaging program, exploring nearby Legacy Square, or simply relaxing in your private space, Chartwell Riverstone offers everything you need to live your way.

OUR UNIQUE LIFESTYLE

At Chartwell Riverstone, each day invites you to feel connected and inspired. With chef-prepared meals, weekly housekeeping, personalized wellness programs, and an impressive array of on-site amenities—including a fitness studio, salon, theatre, café, pub, horticultural room, and a beautifully designed rooftop garden lounge—you can spend your time exactly as you choose. Outdoors, you'll also find beautiful walking paths, tranquil outdoor areas, and the convenience of nearby shops and cafés, all of which create opportunities for an engaging lifestyle.

As part of West 5, Canada's first solar-powered, smart, and walkable neighbourhood, our residence was built with both the planet and your well-being in mind. From solar energy and energy-efficient systems to water-saving fixtures and green-sealed cleaning practices, every detail supports a lighter footprint and a healthier environment—so you can enjoy a contemporary lifestyle that feels as good as it does good—for you and the world around you.
