

CHARTwell
CONSTANTIA
retirement residence

making people's lives BETTER

Lead an **active** and **fulfilling** retirement lifestyle in the heart of **Thornhill's Jewish community.**

PART OF OUR LOCAL COMMUNITY SINCE 2006

Chartwell Constantia provides seniors in Thornhill a warm and welcoming atmosphere in the heart of a thriving Jewish community. Offering independent supportive living to our predominantly Jewish residents, our home honours and celebrates Jewish cultural and religious values, including weekly rabbi lectures and Shabbat services.

We are ideally located on bustling Centre Street, steps away from the Promenade Mall and a short

walk to the iconic, resident-favourite Centre Street Deli. That's just one of many nearby dining choices, including Bagel World and Café Sheli. When family and friends come to visit, you'll have an abundance of nearby eateries where you can grab lunch, as well as local amenities that will make running errands or simply enjoying the neighbourhood both easy and enjoyable.

OUR UNIQUE LIFESTYLE

When you walk through the doors of Chartwell Constantia, you'll be struck by how lovely and inviting our residence is. Our décor and furnishings are fresh and modern, while our layout is spacious and bright. Our gorgeous courtyard will also tempt you out of doors, where you'll find mature trees, comfortable seating and walking paths around the building.

We offer choice, flexibility and peace of mind when it comes to your retirement lifestyle. Traditional Jewish cuisine, including kosher proteins and kosher-style food, is offered in an atmosphere that can only be described as "heimish"—homey and comfortable—where we craft three hot meals a day that cater to your tastes, preferences and dietary needs. Everyday social, fitness and leisure experiences, as well as services like housekeeping and personal care support, are delivered by friendly staff who are there to promote your health and happiness.

Explore our Living at Chartwell brochure to learn more about dining, lifestyle activities and personalized care services.
