making people's lives BETTER

“Enjoy a **fulfilling and relaxing lifestyle** that’s **authentic** to how you want to live in your retirement years.”

PART OF OUR COMMUNITY SINCE 2010

Newly renovated in 2021, Chartwell St. Albert is an inviting residence with classic, open-concept architecture set in the bedroom community of Akinsdale in St. Albert. Lined with mature trees, our lovely location on Hebert Road features easy access to a variety of local amenities and services, including grocery stores, banks, shopping, restaurants and neighbouring Gateway Village Shopping Centre. As we’re one of the tallest buildings in St. Albert, our residents enjoy picturesque views of the area from their suites.

We have a strong local reputation for care, offering both independent living and private supportive living services that are personalized to your unique lifestyle and preferences. Daily dinner service, a variety of engaging social experiences and weekly housekeeping come standard, as well as access to additional wellness services to help you feel your best. As such, you’ll find the lifestyle at Chartwell St. Albert provides you with the freedom to lead your retirement years exactly how you want to.

OUR UNIQUE LIFESTYLE

Life at our retirement community is both fulfilling and relaxing. Our residents are a passionate group who are highly engaged and involved in life at our home, and often develop close-knit friendships.

Here, you can choose from large, well-appointed one- and two-bedroom suites with full kitchens. When you aren't enjoying the serenity of your private accommodations, you may find yourself sharing a tasty meal alongside friends in our full-service dining room (with a view!), leafing through a novel in our library and reading room, getting pampered in our beauty salon, or perhaps enjoying a game of pool or shuffleboard fireside in our social lounge. You'll also love our beautiful inner courtyard, chapel and heated underground parking—not to mention popular experiences like cocktail hour, birthday gatherings, musical entertainment and casino nights.
