

making people's lives BETTER

“Modern retirement residence reflecting the heritage of Guildwood Village.”

PART OF OUR COMMUNITY SINCE 2012

Chartwell Guildwood is a modern retirement residence offering independent living with flexible care services and a dedicated Memory Living neighbourhood. Our residence features architecture and design inspired by the beauty of nature, including elements of fine craftsmanship that celebrate the artistic tradition of Guildwood Village.

Tucked into quiet Livingston Road, our retirement community backs onto the forest of Guildwood

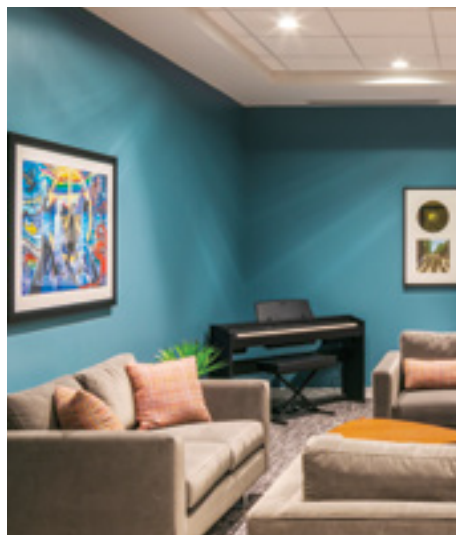

Park and Gardens. Nearby, residents enjoy a grocery store, pharmacy, coffee shop, several chain and local restaurants, a medical centre, and local library. Kingston Road—with its wide range of stores and international restaurants—is minutes away. Both Scarborough Health Network’s Centenary Hospital and General Hospital are under 15 minutes away, while the Guildwood Station, with GO Train, Via Rail and bus service, is also close by.

OUR UNIQUE LIFESTYLE

Chartwell Guildwood offers three unique accommodation options to suit your or a loved one's preferences. Choose independent living with a selection of well-appointed studio, one-bedroom, and two-bedroom suites with kitchenettes. If you are looking for more space and a full kitchen, our prestige apartments in one- or two-bedroom layouts offer even more premium features. And for seniors living with dementia, our dedicated Memory Living neighbourhood features cozy studio suites and amenity spaces.

To further enhance your retirement living experience, many of our most popular programs, activities, and social events take place on-site in our modern amenities, where you can pursue hobbies, socialize with friends, or simply sit back and relax. In addition to convenient household services, you can take advantage of a host of care services geared to helping you maintain your health and independence with the peace of mind you deserve.

Explore our Living at Chartwell brochure to learn more about dining, lifestyle activities and personalized care services.
