

CHARTwell  
JACKSON  
CREEK  
retirement residence

making people's lives BETTER

Experience **social and supportive living** in a home combining **beautiful natural surroundings** with access to **urban amenities.**

## PART OF OUR LOCAL COMMUNITY SINCE 2001

Chartwell Jackson Creek is a quaint, traditional retirement residence nestled in a peaceful neighbourhood in Peterborough, surrounded by beautiful greenspace. We welcome you to experience our warm, welcoming atmosphere, where you'll find bright and spacious studio, one-bedroom, and one-bedroom-plus-den suites, some featuring kitchenettes.

Conveniently located just minutes away from downtown Peterborough, our desirable location is within close walking and driving distance of many convenient amenities and services: retail shopping,

restaurants, grocery stores, libraries, banks, liquor stores, coffee shops, movie theatres, places of worship and Peterborough Regional Health Centre. For those seeking quieter outdoor pursuits, we're also near Riverview Park, with beautiful walking trails along the shores of the Otonabee River.

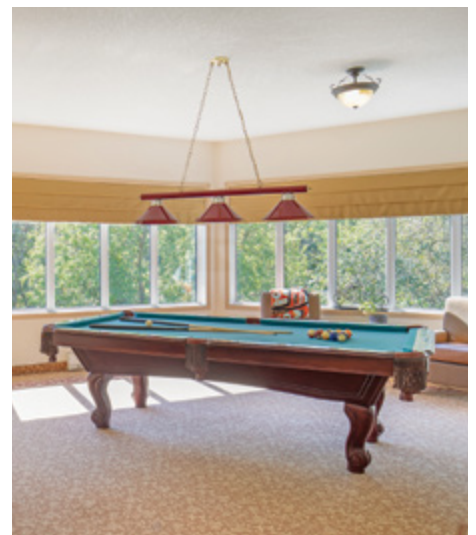

## OUR UNIQUE LIFESTYLE

The personality of our home can be described as active, engaging, and friendly, as we're a place where you can focus on the people and pursuits that bring you the most joy in life. You'll often find our residents chatting over a cup of coffee in the bistro, keeping fit in an exercise class, leafing through a book in our library, or going on outings with friends. You may even find yourself relaxing under the shade of our gazebo or going for a peaceful stroll along our paved walking paths around the residence - the choice is yours!

Our retirement home offers valuable independent supportive living services that allow you to comfortably age in place, including freshly prepared daily meals and à la carte menus, weekly housekeeping and linen service, medication management, as well as a variety of personalized care services tailored to your needs.

**Explore our Living at Chartwell brochure to learn more about dining, lifestyle activities and personalized care services.**
