

CHARTwell
ROYAL PARK
retirement residence

making people's lives **BETTER**

Enjoy life's simple pleasures with the **choice, independence and freedom** you desire in your retirement years.

PART OF OUR LOCAL COMMUNITY SINCE 1998

Chartwell Royal Park is a welcoming retirement community with all the charm of a classic family home. We're well-established in a historic, leafy residential community called Currie in Southwest Calgary, surrounded by beautiful greenspace like Valour Park and close to shopping centres, convenient amenities and Mount Royal University. Our residents are independent individuals who value our flexible service, warm and relaxing atmosphere and spacious suites with full kitchens.

We celebrate the simple things in life that bring you a sense of comfort and contentment. Happiness can be found in the smallest of moments—like gathering with friends in the bistro or large outdoor balcony; sinking gloved hands into fresh soil to plant a packet of flower seeds; clinking glasses alongside friends and family at Happy Hour while a musician performs; or even enjoying breakfast in your suite with your morning paper as the sun rises.

OUR UNIQUE LIFESTYLE

Independent older adults looking for additional support are attracted to life at Chartwell Royal Park because we offer the ability to choose from services that allow you to craft your lifestyle. Our value lies in services like flexible dining and à la carte meal options in our beautifully appointed dining room, housekeeping services and 24-hour emergency response, all delivered by friendly, longstanding staff. Add to that an abundance of leisure opportunities like charitable pursuits or educational sessions, as well as outings via our bus, and you've got a lifestyle that for many is exactly what they need to lead a happy and fulfilled retirement. Home care support options are also available via Alberta Health Services.

At Chartwell Royal Park, you'll not only enjoy the simple pleasures in life, but experience a sense of peace of mind that can only be achieved through valuable services that emphasize choice, freedom and independence.
