LANSING
retirement residence

making people's lives **BETTER**

“Flexible, independent senior living in the heart of North York.”

PART OF OUR COMMUNITY SINCE 1991

Chartwell Lansing is a warm, welcoming retirement residence tucked into a quiet residential street in the bustling Yonge-Sheppard neighbourhood of Willowdale. Located just a block away from Yonge Street, we are steps away from a host of local amenities like shopping, restaurants, cinemas, pharmacies, banks, healthcare facilities, liquor stores, and places of worship. Enjoy a short walk to the North York Library, attend a concert at the Toronto Centre for Arts, or enjoy the farmers' market in Mel Lastman Square—you'll never run out of things to do or places to see!

Beyond our proximity to great neighbourhood amenities, one of the most appreciated aspects of our peace of mind lifestyle is our flexible, independent supportive living services. Our care options are customized to your individual needs and preferences and may include services such as medication management, assistance with your morning or evening routine, an escort to meals and more.

OUR UNIQUE LIFESTYLE

The personality of our home can be described as active, engaging, and friendly, as we're a place where you can focus on the people and pursuits that bring you the most joy in life. You'll find our residents conversing over a cup of coffee in the bistro, laughing over a card game, keeping fit in an exercise class, leafing through a book in our library, or going on outings with friends. There's also our stunning outdoor patio with comfortable seating, where you can take in lovely views of our mature trees in nice weather and or go for a peaceful stroll along our walking paths. You choose how each day is based on how you want to live in your retirement years.

Here, we offer a selection of bright and spacious studio and one-bedroom suites featuring kitchenettes to call home. If you drive, we also offer ample parking!

Explore our Living at Chartwell brochure to learn more about dining, lifestyle activities and personalized care services.
