

**CHARTwell**  
OAK RIDGES  
retirement residence

making people's lives BETTER<sup>®</sup>

**A desirable location, architectural appeal and convenient services all add to the comfort of life in Oak Ridges.**

## PART OF THE LOCAL COMMUNITY SINCE 2012

Pine forests, creeks and kettle lakes; libraries, community centres and parkland; restaurants, cafés and grocery stores—where can you find both the natural splendor of a protected moraine and all the conveniences of a bustling town? At Chartwell Oak Ridges, we enjoy the best of both worlds due to our location in our desirable community of Richmond Hill.

Well-situated on historic Yonge Street, there is an abundance of services and amenities within

walking and driving distance of our retirement community, making running errands or meeting up with family for a meal effortless. Though we border a busy street, you'd never know we're in the heart of the town. We're surrounded by parks and walking paths that provide a sense of peace and solitude and help us to blend into our affluent residential neighbourhood, which is also home to glacier-made lakes like Lake Wilcox and Bond Lake.

## OUR UNIQUE LIFESTYLE

We offer local seniors a lifestyle centred on how you want to live, including independent supportive living and assisted living services. Here, you can pursue your interests and hobbies while we take care of whatever you want support with, including delicious cuisine prepared by our Chef, housekeeping, hairdressing and personalized wellness services.

Our selection of modern amenities elevates the experience for residents. We have a heated pool, fitness facilities, an activity room, a greenhouse for gardening and even a rooftop patio with panoramic views! Move in and you may find yourself settling in with your morning coffee and paper in our bistro, or perhaps even mingling with friends at our Sunset Pub on Wine and Cheese Tuesdays. Other appreciated aspects of our residence are our heated underground parking, suites with balconies, concierge service and video security system—all of which add to the prestige and comfort of life here.
