

making people's lives BETTER

PART OF OUR LOCAL COMMUNITY SINCE 2015

Chartwell Isabella is located on a quiet, tree-lined street dotted with well-kept century homes in the central Vickers Park neighbourhood. We're an interesting place to call home, as our Fort William locale speaks of a unique time in history. You'll find while out for a walk or bike ride, shopping at one of our many locale amenities or even while lunching with family that you'll come upon many classic buildings steeped in memories of a bygone era. In fact, the location of our residence was once the site of a schoolhouse!

The strong sense of community in our neighbourhood extends indoors to our retirement residence, where residents and staff form a close-knit bond of trust and respect. Our dedicated staff are here to make your life better by offering a complement of independent supportive living services, including three delicious and wholesome daily meals, weekly housekeeping and optional care services.

OUR UNIQUE LIFESTYLE

At Chartwell Isabella, there is always something entertaining going on. You'll find our residents conversing over a cup of coffee in the bistro, trading opinions about the latest bestseller in the library, bursting into laughter over a competitive card, billiards or shuffleboard game, keeping fit in an exercise class, or simply relaxing in our lounge while enjoying a live musical performance. The personality of our home can be described as social, lively and welcoming, as we're a place where you can focus on the people and pursuits that bring you the most joy in life.

In addition to a wide range of on-site amenities that act as an extension of your private living space, we also offer a selection of spacious and bright suite layouts to choose from, including studio, one- and two-bedroom suites, some with private patios and Mount McKay views.
