## PART OF OUR LOCAL COMMUNITY SINCE 2006

Chartwell Kamloops is a contemporary retirement residence on the North Shore with a traditional, warm atmosphere and modern décor that makes all feel welcome. We offer independent living for active seniors who require minimal assistance beyond delicious meals, household services and the availability of engaging activities and outings, as well as assisted living services.

Our well-established retirement community is known for our strong local reputation, long-standing staff and excellence in care. In fact, for individuals who require daily personal support, we have professionally certified and experienced staff on hand 24/7 to provide on-site home care support.

## OUR UNIQUE LIFESTYLE

Recently refreshed, you'll find our retirement home feels bright, airy and comfortable. According to your needs and tastes, you can choose from spacious and well-appointed studio, one-, one-plus-den and two-bedroom suites. When you're not relaxing in your private accommodations, you can take advantage of a host of modern amenities, including a fitness room, library, and movie theatre, among many others. You'll often find our residents socializing over a cup of coffee or tea in our lively bistro too!

We're proud of the inviting and warm atmosphere that our staff and residents have fostered in our retirement community. Here you get a sense of family, as we're a close-knit, down-to-earth group who've formed relationships with one another built on respect and trust. That trust is important to our residents, especially for those who need daily personal assistance in order to maintain their independence and comfort.
